DESCRIPTION OF INCIDENT (CONTINUED)				
<p>On the above date and approximate time I, Major Coleman was notified by Capt. Huey that Offender Larry Jones #371441 who is currently on Standard Suicide Watch had covered the camera in his cell (N4C-5) and that he was refusing to cease his actions of yelling and racking his cell bars. I then proceeded to the N4 Housing Unit. Upon arrival, I was directed towards C-Tier. As I entered the Tier, I clearly heard and observed Offender Jones yelling and racking his cell bars. Capt. Elmore arrived on the Tier at this time. At this time, Offender Jones ceased his actions of racking his cell bars and stated, "I'm fixing to start a riot in this mother-fucker! If you spray me you are gonna have to spray every motherfucker on the Tier!" I gave Offender Jones a direct verbal order to cease his actions of yelling and cursing. Offender Jones refused to comply. I activated my body camera and advised Offender Jones that if he did not comply with my orders chemical agent would be administered. Offender Jones refused to comply with my orders and continued his actions. Offender Jones actions created an unsafe environment and made it difficult for the Tiers to be properly monitored by using the electronic listening devices. Due to the immediate need to restore order and gain compliance, I administered a short burst of chemical agent to the face and head area of Offender Jones. Once the chemical agent took effect, I gave Offender Jones a direct verbal order to come to the bars to be restrained and he complied. Capt. Huey placed handcuffs on Offender Jones and I ordered the cell door opened. Capt. Huey and Capt. Elmore entered the cell and Capt. Elmore placed Offender Jones in leg irons. While Offender Jones was exiting his cell to be escorted to the lobby he stated, "Let's get this shit started." At this time, other offenders began racking their cell bars. I then gave Offender Jones a direct verbal order to cease his actions and he complied. Once in the lobby I notified medical. Moments later Nurse Menere arrived and provided Offender Jones with an eye wash. Offender Jones was offered a shower which he refused. While Offender Jones was in the lobby, his cell was cleaned and sanitized with a soap and water solution per policy. All contaminated items were placed in a red biohazard bag and forwarded to the laundry for further handling. Offender Jones was escorted back to his assigned cell (N4C-5) and given a clean paper gown without further incident. Offender Jones was offered a shower for the next two hours and he continued to refuse. Only the minimum amount of force was used to gain compliance. Offender Jones was issued an RVR for violation of Rule 29, Disturbance. Colonel Nail and Duty Officer Colonel Baird were notified.</p>

NAME Damian Clark	NUMBER 599624	DORM OR CELLBLOCK N4 Cellblock	DATE OF INCIDENT 06 / Jun / 17	TIME OF INCIDENT Approx. 2157 hrs.
LOCATION OF INCIDENT N4C-4		WITNESSES Capt. Long, Sgt. Walton, M/Sgt. Harris, Nurse Conn		

DESCRIPTION OF INCIDENT (CONTINUED)

On the above date and approximate time I, Major Young (Wade 19) was notified by Capt. Long (Wade 22) that Offender Damian Clark #599624, called him to his cell (N4C-4) in which he observed that Offender Clark had a superficial cut on his left wrist and he had blood smeared on him and the cell wall. Nurse Conn arrived and treated the offender. She notified Steve Hayden of Mental Health. Mr. Hayden with concurrence from Dr. Hearn ordered Offender Clark to be placed on Extreme Suicide Watch in alternative restraints. Capt. Long further stated after entering Offender Clark's cell, he noticed that Offender Clark had wrote on the front of his cell wall in blood with the words: Stop playing with me, Time is near, Die 666, Hell, Lucifer, Satan, etc. I took pictures. Offender Clark cell was shook down and a broken toothbrush was found that he admitted to me that he used to cut himself. Offender Clark being placed in alternative restraints was video recorded and the tension was checked by Nurse Conn. I was later informed by Capt. Long that while he was monitoring Offender Clark from the key room via monitor, he clearly observed Offender Clark run into the cell bars with his head. I immediately proceeded to N4 cellblock. Clark was escorted to the lobby. I ordered him to kneel, face the wall, and keep the noise down. I then began to question offender Clark about his actions. He became argumentative, and stated to me don't tell me what to do I'll spit in your face. Offender Clark then turned suddenly from the wall towards me. I then administered a short burst of chemical agent to his facial area. Once the chemical agent to effect offender Clark then became compliant to all orders. Clark was seen and treated by medical Nurse Conn. He also received an eye wash and a shower. His cell was decontaminated. At the completion of his shower he was escorted to his cell and place in the pro-violent offender restraint chair for security reasons. The initial placement was video recorded. Nurse Conn checked the tension of the restraints. The incident was video recorded. The lobby area was cleaned and sanitized. All contaminated items were placed in a red biohazard bag and sent to the laundry for further handling. I Major Young issued Offender Clark a RVR for violation of Rule 5, Aggravated Disobedience. Warden Goodwin was notified.

DESCRIPTION OF INCIDENT (CONTINUED)				
<p>On the above date and approximate time I, Capt. Long and Sgt. Walton were on N4 C-Tier, when Offender Damian Clark #599624, called Sgt. Walton to his cell (N4C-4). After Sgt. Walton arrived at Offender Clark's cell, he immediately called me to come to the cell. At this time, I observed that Offender Clark had a superficial cut on his left wrist and he had blood smeared on him and the cell wall. I notified medical and I gave Offender Clark a direct verbal order to come to the bars to be restrained and he complied. I placed handcuffs on Offender Clark. Once in Offender Clark's cell, I noticed that he wrote on the front of his cell wall in blood with the words: Stop playing with me, Time is near, Die 666, Hell, Lucifer, Satan, etc. Offender Clark was then escorted to the lobby. Nurse Conn arrived and treated Offender Clark for his injuries. During this time, Offender Clark expressed that he was feeling suicidal. Nurse Conn notified Steve Hayden of Mental Health. Mr. Hayden with concurrence from Dr. Hearn ordered Offender Clark to be placed on Extreme Suicide Watch. I notified Major Young of the situation. Offender Clark was then escorted back to his assigned cell and placed in alternative restraints which was video recorded. Nurse Conn checked the tension. While I was monitoring Offender Clark in his cell via monitor in N4 Keyroom, Sgt. Walton was making rounds on the Tier when Offender Clark ran into the cell bars with his head. I immediately exited the Keyroom and proceeded to Offender Clark's cell. Since offender Clark was in alternative restraints, I gave him a direct verbal order to go to his knees in the cell. He complied. The cell door was opened and Sgt. Walton and I escorted him to the lobby. I notified medical and Major Young. Shortly thereafter, Major Young arrived in the Unit and he ordered Offender Clark to kneel down, face the wall, and keep the noise down in which he complied. Major Young then began questioning Offender Clark concerning his behavior. While Major Young was questioning Offender Clark, he became argumentative stating, "Don't tell me what to do, I'll spit in your face. Offender Clark then turned and made an aggressive move towards Major Young. Major Young immediately administered a short burst of chemical agent to the face and head area of Offender Clark. After allowing the chemical agent adequate time to take effect, Nurse Conn provided Offender Clark with an eye wash and treated his injuries. Offender Clark was offered a shower and he accepted. While Offender Clark was taking a shower, his cell was cleaned and sanitized with a bleach and water solution per policy. The lobby was also cleaned and sanitized. All contaminated items were placed in a red biohazard bag and forwarded to the laundry for further handling. After showering, Offender Clark was escorted back to his cell and placed in the restraint chair. The initial placement of Offender Clark in the restraint chair was video recorded. Nurse Conn checked for proper tension. Offender Clark's cell was searched and a broken toothbrush was found which he used to cut himself. Major Young took pictures of the wall and the toothbrush. Major Young issued Offender Clark a RVR for violation of Rule 5, Aggravated Disobedience.</p>

on the above date and approximate time I, Sgt. Welton along with Cpt. Long were on N4 C-Tier, when offender Damian Clark #599624, called me to the cell. I observed multiple cuts on his wrist; I immediately called Cpt. Long to the cell. Cpt. Long notified medical and offender Clark was given a direct verbal order to come to the bars to be restrained and he complied. Offender Clark was placed in a full set of restraints and while on the cell me and Cpt. Long noticed that offender Clark had wrote on the front of his cell wall in blood: stop playing with me, Time is near, Die 666, Hell, Lucifer, Satan, etc. offender Clark was then escorted to the lobby where he was seen and located by Nurse Cann. While in the lobby, offender Clark stated that he was feeling suicidal. Nurse Cann then notified mental Health who ordered offender Clark to be placed on Extreme Suicide Watch. offender Clark was then escorted back to his assigned cell and placed in alternative restraints which was video recorded. Minutes later while making rounds on C-Tier I clearly saw offender Clark run into his cell bars head first. Cpt. Long was notified and immediately approached the tier. offender Clark was then giving a verbal order by Cpt. Long to come to the bars to

When Major Young arrived in unit he gave offender clark a direct verbal order to kneel down, face the wall, and keep the nose down in which he complied. While being questioned by Major Young offender clark, he became argumentative stating, "Don't tell me what to do, I'll spit in your face." offender clark then turned and made an aggressive move towards Major Young and Major Young immediately administered a short burst of chemical agents to the face and head area of offender clark. After allowing chemical agents to take effect offender clark was treated by Nurse Conn. Nurse Conn provided offender clark with an eye wash and treated the injuries. offender clark was offered a shower which he accepted. While in the shower offender clark's cell was cleaned and sanitized per policy and all items were placed in a biohazard bag. offender clark was then placed in a restraint chair and video recorded. DESCRIPTION OF INCIDENT (ATTACH ADDITIONAL INFORMATION IF NEEDED) <p>On the above date and time Sgt. Freeman informed me that offender Brad Rison #589216 was saying he wanted to be in a cell by himself. I approached offender Rison and told him I needed to know why he wanted to move. He didn't give me a reason but just wanted to move. I informed him I wouldn't move him for no reason. When I walked away from his cell, he started kicking the bars and started yelling I'll show you how serious I am. At this time, he knelt down and started going into his laundry bag. I asked him what he was doing. He yelled I'm going to kill myself with this sheet. I ordered him to put it down. He didn't comply and continued yelling I'll show you. Due to the immediate need to restore order and to prevent offender Rison from harming himself, there was no time to retrieve the video recorder. I sprayed a short burst of chemical agent to his facial area. He immediately stepped away from the bag and sheet. He became compliant with all orders given. NAME Alvin Ball	NUMBER 524942	DORM OR CELLBLOCK N3A-8	DATE OF INCIDENT 16 / Mar / 2018	TIME OF INCIDENT Approx. 2157 hrs.
LOCATION OF INCIDENT N3A-8		WITNESSES Capt. Long, Sgt. Couch, Nurse Menere		
DESCRIPTION OF INCIDENT (CONTINUED)				
<p>On the above date and approximate time I, Major Young (Wade 19) was attending to duties on the North Compound when I was notified by Capt. Long (Wade 22) of an incident in the N3 Cellblock. Upon arriving in the N3 Cellblock, I observed Capt. Long, Sgt. Couch and Nurse Menere standing in the lobby with offender Alvin Ball #524942 and offender Michael Outlaw #558287. Capt. Long informed me that when he arrived on N3 A-Tier, offender Ball was standing on the top bunk with a sheet tied to the bars and the other end tied around his neck. Capt. Long further stated offender Ball was also yelling and creating a disturbance on the tier. Capt. Long stated he gave offender Ball a direct verbal order to remove the sheet from his neck and get down off the top bunk and he complied, but continued yelling and creating a disturbance on the tier. Capt. Long stated offender Ball only complied with orders after chemical agent was administered. I then questioned offender Ball as to why he was creating a disturbance and he stated, "I was upset about receiving a write up earlier." Nurse Menere who was present notified Ms. Arial Robinson (Mental Health Staff Member) and informed her of the situation. Ms. Robinson with concurrence from Dr. Fuller ordered offender Ball to be placed on Extreme Suicide Watch in alternative restraints for having the sheet around his neck and tied to the bars. Both offenders were offered a shower in which they refused. All contaminated areas were cleaned and sanitized with a soap and water solution per policy. All contaminated items were placed in a red biohazard bag and forwarded to the laundry for further handling. Offender Outlaw was escorted back to his assigned cell (N3A-8). However, offender Ball was reassigned to (N4B-2) and placed on Extreme Suicide Watch without further incident. The initial placement of offender Ball in alternative restraints was video recorded. Only the minimum amount of force was used to gain order and compliance. Capt. Long utilized his body camera (Wade 22) to record the incident. The offenders were offered a shower every 30 minutes over the next two hours and they continued to refuse. Capt. Long issued offender Ball an RVR for violation of Rule 5, Aggravated Disobedience. Duty Officer Colonel Evans was notified.</p>
